# ARNAU RAMOS, PhD

## PERSONAL PROFILE

- Biomedical researcher with a strong background (> 8years) in preclinical and translational neurology and psychiatry.
- Experience working in and leading international teams.
- Excellent track record in basic research: with over 10 scientific publications, research grants (>250k granted), participation & organization of international scientific meetings.
- Strong critical thinking, communication, organization and presentation skills in different languages.

## LANGUAGES

English C2    German C1  
Spanish C2    Catalan C2

## EDUCATION

**PhD in Neurosciences**, 2021  
Medical University of Innsbruck

**Msc. in Neuroscience**, 2017  
Autonomous University of Barcelona

**BSc. in Biomedinal Sciences**, 2016  
University of Barcelona

## EXTRA - CURRICULAR

**Organizer of the Life Science Meeting Innsbruck**, 2019-2021

**Science communication**  
see Interviews [here](#) or [here](#)

## PROFESSIONAL EXPERIENCE

### Postdoctoral Scientist

**Friedrich Miescher Institute for Biomedical Research**,  
Novartis Campus, Basel, SWITZERLAND,  
AUG 2023- Present

### External Scientific Advisor

**Siris Academic**, SPAIN,  
AUG 2021- SEPT 2024

### Postdoctoral scientist & Principal investigator

**Medical University of Innsbruck**, Innsbruck, AUSTRIA,  
JAN 2021- JUL 2023

### Research Scientist

**Medical University of Innsbruck**, Innsbruck, AUSTRIA,  
SEPT 2017- NOV 2021

### Research Assistant

**Institute of Neurosciences of Barcelona**, Barcelona, SPAIN,  
JAN 2017 - JUL 2017  
**Charité Universitätsmedizin**, Berlin, GERMANY,  
FEB 2016 - JUL 2016

## HONORS, AWARDS AND GRANTS

- 2024 Swiss SNF Postdoc Grant (top 5%)
- 2023 MUI scientist to watch, EMBO/FENS grant.
- 2022 Legerlotz Principal Investigator grant.
- 2021 Best Presentation Award from the E.J of Neuroscience (Italy) and Best Presentation Award, Austrian Neuroscience association (Austria).
- 2019 European Neurosci. Association grant

## SKILLS

- Scientific communications
- Orgnaization & project management
- Stakeholder engagement
- Study budget & resource tracking
- Cross-functional teamwork
- Statistical data analysis, data visualization & reporting
- Multi-tasking & prioritization
- Problem-solving & critical thinking
